

# Complaint Form

#### **INSTRUCTIONS**

If you have a question or concern, we encourage you to first speak with your doctor, the patient advocate at your hospital or a College Public Advisor (1-800-268-7096 ext. 603). Please refer to the CPSO's **Guide to the Complaints Process** for assistance and more information.

To make a complaint, you may complete this form electronically, print it out and mail it to the address at the end of this form, or submit it online to **ir@cpso.on.ca**.

Once the College has received your complaint, we will aim to contact you within two business days.

We are required to notify the doctor and may provide him/her a copy of your complaint.

#### Consent for the release of confidential medical information

The investigator handling your complaint will need relevant personal health information.

The investigator may need to get written consent from you or the patient to get certain records.

## **Obtaining Records**

If you are the patient, your doctor is permitted, under the *Personal Health Information Protection Act,* 2004, to disclose your medical information to the CPSO so it can investigate.

If you are **not** the patient, the patient needs to sign a <u>consent form</u> or, if unable to do so, their legal representative may sign this <u>authorization form</u> instead. This is necessary before the doctor can provide the patient's personal health records.
